Reports

President –

Thanked Veterans. Reminding everyone there is a speed limit at the rang, please follow it.

Vice-President –

Membership report – there were single 524; family 704; juniors 8; life 19; for a total of 1255.

Executive Vice-President –

Accomplishments—

Add a 2nd row of HESCO bags that were filled. Larry was instrumental in replacing all of the lights to LED. For a minimal cost. The light bars had to be replaced to support the ne lights on Trap and skeet fields. All the light at the range was replaced. The feed would be recouped in less than a year. JCSA and Wild River has teamed up to buy electronic targets along with some donations from JCSA members. With the possibility to renting them out. Purchased a new electric John Deer gator and is working out great. Had to have some underground power lines repaired. With some of the power outages Larry brought out his generator. JCSA has been going through the employees.

Secretary –

No report.

Treasurer –

Don gave the treasure report. Don thanked Jim Z and Greg help with the 2024 budget.

Number we generated from what the book keeper told us and what it would look like for next year.

Don went through the budget and explained the line items. Property tax was not in there because we did not know what the County was doing.

Larry brought up that the cost of everything went up and to help balance the budget Range fees had to increase. Single went up to \$110, Family went up to \$135 and Juniors went up to \$50 processing fee is \$25 and day use fee went up to \$15 range rental fees also have gone up check the PnP's.

A member asked about air soft member fees and signing in. JCSA has a fee and Air soft has their own fees. They rent the facilities from JCSA. Saying they did not have to sign in. Larry reminded the member that everyone has to sign in and if you do not you are violating JCSA policies and procedures. The member said he was with Concierge's. JCSA bills Concierge's for range use.

New Business

The safety of Big Bore was brought up going out to 300 yards.

Reminded everyone they need to communicate with other shooters.

If there are other safety issues you need to let the range managers and the EVP know so they can be addressed. If there are fires on the range and you don't want to use the fire extinguisher call 911.

Gale Johnson Award goes to Don Ledbetter.

Motion to adjourn the meeting was made by Bain and seconded by Christine Lowe
