

PCC PRODUCT DEMO DAY

Pistol Caliber Carbine (PCC)

TRY IT BEFORE YOU BUY IT!

Hosted by: 3Rivers Ammo and 3Rivers Firearms & Training LLC

There will be a selection of firearms from leading manufacturers and all participants will be able to try the pistol caliber carbine experience. The ammunition will be from local manufacturer 3Rivers Ammo.

It will be a shooting gallery experience with a variety of different reactive targets at varying distances so that participants can really get the feel of the fun and utility these guns provide.

They are light and easy to handle with very manageable recoil for recoil-sensitive people.

The best thing is that they can shoot the same cartridge as your pistol and may use the same magazines if you so choose.

As participants you can “Try before you buy” and get the chance to see what all the fuss is about.

**** Saturday, February 3rd, 9am - 1pm ****

Josephine County Sportsman's Assoc.

7407 Highland Ave., Grants Pass OR 97526
